# A HISTORIC FOOTBALL TEAM

Levante Unión Deportiva is a football club based in Valencia competing in the Spanish First Division (LaLiga).

Founded in 1909 it has become a historic club in its own right.

During our Youth Football Camp the training activities will be led by official Levante U.D. coaching staff with experience training national and international players.

The camp consists of training sessions of 4 hours a day - from 9am to 1pm - happening Monday to Friday. The coaches split the sessions into two parts: one for individual technical strategies and the other one focused on tactical development.

Our football camp supports gender equality and players are divided into groups ranging from 12 to 20 players based on their age and skills.

Longer stays are also available for players interested in becoming part of the Levante UD international football team for the rest of the year, provided that they meet the club's minimum technical and tactical requirements.

## RESIDENCE HALL

Galileo Galilei College is a **co-ed residence hall** and it can accommodate **more than 500 students**. Opened in 1998, it has a privileged location as it is enclosed in the **Universitat Politècnica de València**. It is easily accessed by tram and it is **less than one kilometre away from the beach**.

## LOCAL FAMILY

Living with a Spanish family means **learning a lot more about Spanish culture** and its customs and ensures **using Spanish on a daily basis**. Our host families have been **carefully selected** to make sure that you feel **welcome and comfortable** with them.

## ACCOMMODATION

You can either stay with a **host family**, in an individual or double room, or at a **residence**, in an en-suite double room, shared with another international student from the school.

The participants will be accompanied by our monitors at all times, who will be responsible for ensuring that the norms are followed and that **everyone has a harmonious and pleasant experience**.

The 25m2 rooms are all **en-suite, fully-equipped with A/C**. **Cleaning service** is included twice a week.

Accommodation with a local family is only available for students who are 16 or over, since they are given more independence than in the residence. Participants come to the school on their own every day, except on the first day when a member of the host family will accompany them.
